

MONTESSORI SCHOOL

OF PAWLEYS ISLAND

Toddler Summer 2011 . . .

Toddler Summer Camp runs all 8 weeks and is open to children 15 months - 3 years old. Non-Montessori School children are always welcome during the summer, so invite your neighbors and vacationing cousins, too! Camps fill up quickly, so register soon... Hope to see you here!

A Warm and Fuzzy Welcome

June 6 - 10

Our Teddy Bears come to school! Teddy Bear Talk... the "bear" necessities of cooking and "Teddy Bear Time" will offer many language activities for your child. We'll "strike a pose" and create a Teddy Bear book. So bring your favorite bear for lots of hugs and learning fun!

Pirates and Princesses

June 13 - 17

Swashbuckling Pirates with pirate ships and Beautiful Princesses with jeweled crowns! Experience exciting adventures when we discover treasures from the sea.

Ladybug and Friends

June 20 - 24

'Tis the season to crawl into our study of ladybugs and other insects. The children will "spot" ladybugs, "lend a hand" to create adorable caterpillars, and use many colors to make splendid butterflies. We'll even learn a special poem that becomes a play for our school friends!

Celebrate America and Take a Bite Out of Summer

June 27 - July 1

We can foster a healthy and loving introduction to America. We will provide exposure to a variety of music and foods, while celebrating our country.

Flashy Fish - Underwater Wonders

July 11 - 15

You won't have to fish for compliments when we fill your child's day with these fun activities. We'll keep them hooked with lots of arts and crafts, literature-related activities, poems, songs and a "Whopper-of-a-Fish" book.

“Halt! I Have a Story For You!”

July 18 - 22

Children often ask Eric Carle, “Where do ideas come from?” His answer...“They come from a lifetime of experiences – all the thoughts in a person’s mind and all the feelings in a person’s heart.” He tells the children that they have to wind up the thinking machine. As the children wind an imaginary lever near his temple, Eric makes the whirring thinking-machine noise. After a while he shouts, “Halt! I have a story for you!” This week, we will travel the world through Carle's books, meeting many animal friends. We'll read and learn where these animals live and how they inspired this author. Get ready for fun art projects and a picnic with the "Hungry Caterpillar!"

Down by the Pond

July 25 - 29

Youngsters are certain to think these "ribbit-ing" pond experiences are just ducky! We'll enjoy reading around our "cattail" pond, dabbling and dipping like ducks, and moving and grooving at Beaver Lodge.

Spotlight on Art

August 1 - 5

As Maria Montessori stated, “The truth is that when a free spirit exists, it has to materialize itself in some form of work, and for this, the hands are needed.” Art is a way of approaching life, of moving and speaking, and of decorating the environment.

TODDLER CAMP ENROLLMENT

I would like to enroll my child, _____, in Montessori School for the following Toddler Summer Session (s):

_____ Session 1	June 6-10	8:30-2:30	A Warm and Fuzzy Welcome
