Parents/Guardians,

We are legally limited as to how many children can be in the program on a daily basis. This number changes slightly with the ages of the children so knowing how many we are going to have on a daily basis is a requirement. That is why commitment is so important.

There are a few parents who do not know exactly which days they will use and have purchased the 5 day/week program to insure their reservation. If they know that they are not going to use a specific day, they are informing the School as soon as possible and donating those days back to the school to sell the space(s) to someone else. We realize that not everyone can afford to do this; however, it is a win/win situation for all concerned and we are grateful to those who can do this.

If you have any questions, please call the School at 237-9015.
